#8010 1989-1997 FJ80 Quad Cab (112.2" WB)

This FJ80 quad cab body was inspired by an FJ40 that has been turned into a 4 door, and widened 7" (70-3/4"). This vehicle utilizes a stock FJ80 wheelbase of 112.2" and the body mounts have been revised to fit on an FJ80 frame. The back of the frame must be cut-off approximately 9". The engine, transmission and transfer case needs to be moved back approximately 7". (The Fender aprons, hood and front fenders have been stretched 3-1/2" in length. Stock FJ40 fender aprons and front fenders will fit , however you will need to widen your hood by 7".)
